Createspace Independent Publishing Platform, 2014. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.In the year 2000, when this book was first published, I wanted to create a book which could be given to a child who was starting school at the age of 5 years and which could be read by them progressively until the age of 13 years when they either moved up to Middle or High School. I also wanted to mark their memory of the New Millennium with their own special book. Because the reading age between all children of between 5 years of age and 13 is so vast, this project naturally involved the writing of a number of stories that catered for children of different chronological ages and reading abilities. The outcome of this idea was the publication of the book Bes ; which contains four interdependent stories that links in theme. The four stories would concern four types of creatures, a bear (for 5-7 year old readers), an elephant (for 7-9 year old readers), a sheep (for 9-11 year old readers), and a New Millennium spiritual creature called Bes , who was part bear, part elephant and part sheep in both appearance and disposition(for 9-13 year old reader). Bes is a story suitable for the New Millennium reader aged between 9-13 years. It tells a story that loosely links with the three character types I introduced in The Bear with a Sore Head , Solo and Solomon and Elephants Cry Too. It is the first day of a New Millennium and the maker of all time who is disappointed with the humans of the earth, sends a three dimensional spirit to the earth in the form of a strange looking animal. that is part bear, part sheep...
