Ebury Publishing, United Kingdom, 2010. Paperback. Condition: New. Language: English . Brand New Book. For Kelly Corrigan, family was everything. At thirty-six, she had a marriage that worked, two funny, active kids, and a weekly newspaper column. Yet even as a thriving adult, Kelly still saw herself as the daughter of garrulous charmer George Corrigan. She was living deep within what she calls the Middle Place - that sliver of time when parenthood and childhood overlap - comfortably wedged between her adult duties and her parents care. But Kelly is abruptly shoved into coming-of-age when she finds a lump in her breast - and gets the diagnosis no one wants to hear. When George, too, learns that he has late-stage cancer, it is Kelly s turn to take care of the man who had always taken care of her - and to show us a woman who finally takes the leap and grows up.
