# LATIN LESSONS: HOW SOUTH AMERICA STOPPED LISTENING TO THE UNITED STATES AND STARTED PROSPERING

Wiley. Hardcover. Condition: New. 288 pages. The mistakes the United States has made in Latin America and the high price it will pay for them. Could it be that for the first time in history, the United States needs Latin America more than the other way round? Since the early 1800s, the United States regarded the region as its backyard, but in the past decade South America's leaders have increasingly snubbed US efforts to persuade them to adopt free-market economics and sign...

## Reviews

*This publication can be well worth a study, and far better than other. Better then never, though i am quite late in start reading this one. Its been printed in an exceedingly simple way and it is only soon after i finished reading through this book in which really transformed me, alter the way in my opinion.*
