Atheneum Books for Young Readers. Paperback. Condition: New. 528 pages. Dimensions: 8.2in. x 5.5in. x 1.8in. Theres only one thing more deadly than disease, more destructive than the forces of nature: jealousy. Its been years since the world was nearly destroyed by natural disasters, but even the biggest earthquake couldnt shake the evils of mankind. Of course, Corgan and Brigand are not normal human beings. Brigand is the product of a cloning experiment gone wrong and Corgan was conceived and raised in a sterile environment, conditioned to be a hero for the Federations virtual wars. They arent typical humans, but they are still flesh and blood. And their virtual competition spills over into the real world when the beautiful, rebellious Sharla comes between them. Corgans adventure, which began with Devastation, continues as Brigand launches an attack to eliminate his rival. Corgan is about to see that even battles fought with mind controlled avatars can have very high personal stakes. This item ships from multiple locations.
