Sometimes you don t want to read the whole novel; you just want know the gist. The same can be said for songs. Most classic guitar songs contain unforgettable riffs that signature hook that everyone wants to know. It s the first thing you think of when you hear the title of the song. Of course, the notes are only half the story. It won t sound right without the proper tone, so it helps to know a good bit about the equipment used as well. Background information on the artist is always helpful as well. That s where CliffsNotes to Guitar Songs comes in. In this book, you ll not only learn the signature riffs of 150 guitar classics, you ll also learn invaluable information for each, including: equipment and tone info; biographical information on the artist; song and album facts; theoretical analysis; performance tips; and more. From hard rock, metal, and punk to folk and old time rock n roll,...
