Createspace, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. The Author has researched the issue of Revelation of John and the Bible for more than 20 years and has accumulated enormous knowledge which is mostly unknown to the world. He has studied Engineering and he has obtained a B.Sc. Hons in Engineering from Oxford Brookes University in UK and a Masters Degree from the University of Liverpool also in UK. He also has a Diploma of Higher Education (DIP.H.E.) In an exhaustive treatise on beliefs of Christianity and Science, the Author has produced a book of immense value called The true Interpretation of the Revelation of John and the Bible where he refutes commonly held theories such as The Big Bang as well as Biblical interpretations concerning the return of Christ to earth, the Rapture, and the Antichrist.
