Createspace Independent Publishing Platform, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. When a Divine Being in 1994 miraculously appeared to the author near the time of her suicide attempt, he saved her life and set her in a new direction. She didn't hear from Him again for twenty one years. Then on July 31st, 2015 He came back. His counsel this time was to write this book and teach the world how to be happy. McCartney Green didn't realize herself that the book would be about happiness until she reached the final chapter. When she put into practice the keys given to her in that chapter, she realized she was more spiritually aligned and more joyful than she'd ever been. Since McCartney had based the hero in her earlier fiction novels on the Heavenly Messenger who'd visited her, she was instructed to base this new book on that fictional character's memoirs as an allegory for his messages. Therefore, this book is the story of Grandmaster Eric Kino's life and the messages and wisdom he received through his spiritual alignment with God or Source energy. Grandmaster Kino teaches us how to bring light to any situation, how to be at peace with one's self, how to live in love and yet still be a warrior to fight against darkness. Most importantly, he teaches how anyone can live in absolute joy just by following the keys given in this book. What does young Eric learn while buried deep inside a cave? How does he grow and learn to be a light warrior? How can the world change just by teaching others the keys to joy?.
