## The Detainee: The Detainee Book 1 (Paperback)

By Peter Liney

Quercus Publishing, United Kingdom, 2014. Paperback.  
Condition: New. Language: English . Brand New Book. Of all the dystopian novels I have read in recent years, Peter Liney's *The Detainee* is one the best written, most engaging, heart-tugging and cinematic of all - Amazon Reviewer There is no point trying to run. There is no point trying to escape. The island means the end of all hope, until Clancy finds a reason to fight back. When the fog comes down and the drums start to beat, the inhabitants of the island tremble: the punishment satellites, which keep the tyrannical Wastelords at bay, are blind in the darkness, and the islanders become prey. The inhabitants are the old, the sick, the poor: the detritus of Society, dumped on the island with the rest of Society's waste. There is no point trying to run. There is no point trying to escape. The satellites - the invisible eyes of the law - mete out instant judgement from the sky. The island is the end of all hope, until Clancy finds a blind woman living in a secret underground warren and discovers a reason to fight . . . Impressively dark - Financial Times.
