RESISTANT BREEDING OF TWO SPECIES OF FLOWER

Resistant breeding of two
species of flower

LAMBERT
Academic Publishing

Condition: New. Publisher/Verlag: LAP Lambert Academic Publishing | The method and process of resistance breeding of two species of flower were introduced in the book. The distant hybridization was used for lodging-resistant breeding of *Platycodon Grandiflorus* and the lodging-resistant offspring were obtained. The results show that the lodging-resistant offspring could be the phenomena of apomixes which was induced by pollen. The Si-ion implantation mutation breeding was used for cold-resistant breeding of *Oenothera speciosa* and the cold-resistant offspring were obtained that...

Reviews

Absolutely essential study ebook. It is probably the most amazing pdf i actually have read. Once you begin to read the book, it is extremely difficult to leave it before concluding.

-- **Enola Cormier**

Great e book and helpful one. I really could comprehended almost everything out of this composed e pdf. You are going to like how the author compose this pdf.
