TECH INDUSTRY (PAPERBACK)

Crabtree Publishing Co, US, United States, 2018. Paperback. Condition: New. Language: English. Brand New Book. Tech Industry examines the technological innovations that are transforming not only the way goods are manufactured and distributed, but also how people function in the workplace, from the farmer in the field to the pilot in the sky. Dynamic photographs and informative text sharply illustrate the momentous advancements we are experiencing in industrial technology, such as 3-D printing, product delivery by drone, and computer chips...

Reviews

It is a single of the best publication. Sure, it is play, continue to an interesting and amazing literature. You will not really feel monotony at whenever you want of your time (that's what catalogues are for about in the event you question me).
