Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.With the 2nd Edition of TERRORISTS WITHIN OUR WALLS, The Principles of Correctional Counterterrorism, Eric M. Vogt, CHS-V takes the complex subject of counterterrorism in prisons and places it into easy-to-understand language and a simple format. It is not an academic writing. This is written as a professional training tool. It is an inexpensive means for funding-strapped correctional and law enforcement agencies to utilize as a training handbook for their officers and support personnel. It is also helpful for colleges and universities that offer criminal justice courses in terrorism and prison related subjects. Private security professionals will appreciate its principles, which not only apply to counterterrorism in prisons, but to terrorism prevention and emergency response. It provides up-to-date descriptions of modern terrorist organizations and their tactics. There is also a list for law enforcement and corrections officers that recommends free counterterrorism programs. Buy one. You will be sure to buy more!
