Implementing AppFog (Paperback)

By Matthew Nohr, Isaac Rabinovitch

Packt Publishing Limited, United Kingdom, 2013. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.This book is a practical, hands-on guide to implementing and deploying apps on the AppFog platform. Implementing AppFog is for developers who want to be able to upload applications to the cloud, and for implementation specialists, who implement and deploy apps on the AppFog platform. It is best to have Ruby installed, but we will walk you through the installation process if you do not already have it. It would be ideal to have some knowledge of cloud computing and know about the basics of database and network deployment.
