Cadwallader and Stern, United States, 2012. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.The internationally acclaimed new book that takes you behind the scenes to reveal how ballet really happens: In a scuffed-up studio, a veteran dancer transmits the magic of an eighty-year-old ballet to a performer barely past drinking age. In a converted barn, an indomitable teacher creates ballerinas as she has for more than half a century. In a monastic mirrored room, dancers from as near as New Jersey and as far as Mongolia learn works as old as the nineteenth century and as new as this morning. Snowflakes zooms in on an intimate view of one full season in the life of one of America's top ballet companies and schools: Seattle's Pacific Northwest Ballet. But it also tracks the Land of Ballet to venues as celebrated as New York and Monte Carlo and as seemingly ordinary as Bellingham, Washington and small-town Pennsylvania. Never before has a book taken readers backstage for such a wide-ranging view of the ballet world from the wildly diverse perspectives of dancers, choreographers, stage managers, teachers, conductors, musicians, rehearsal pianists, lighting directors, costumers, stage managers, scenic artists, marketers, fundraisers, students, and even pointe shoe fitters--often in their own remarkably candid words. The book follows characters as colorful as they are talented. Versatile dancers from around the globe team up with novice choreographers and those as renowned as Susan Stroman, Christopher Wheeldon, and Twyla Tharp to create art on deadline. At the book's center is Peter Boal, a former New York City Ballet star in his third year as PNB's artistic director, as he manages conflicting constituencies with charm, tact, rationality and diplomacy. Readers look over Boal's shoulder as he makes tough decisions about...
