## EPITAPH REVEILLE VOLUME 1

Epitaph. Paperback. Condition: New. 358 pages. Dimensions: 9.0in. x 6.0in. x 0.8in. In year 2343, the galaxy receives a deadly wake-up call. . . Nearly three-hundred years have passed since humanity ascended to the stars, joining with a conglomeration of alien races all living under the rule of a single, united community - the United Galactic Coalition - a joint, multi-species alliance that upholds the principles of democracy, freedom, and equality for all races. The Milky Way Galaxy's future looks bright . . . Until a research team uncovers a mysterious crystal buried deep beneath the surface of a frontier world on the edge of settled space. This discovery proves to be the catalyst for an invasion from an unknown alien force that is just as ruthless as they are mysterious. As the races of the galaxy are catapulted into a vicious fight for their very survival, fate hastily throws together a legendary admiral with a dark past, a brilliant scientist with precious little time to find the answers, an elite Special Forces Operative who must come to terms with a past failure, a spunky young military officer for whom this war is a baptism by fire, and a top notch Marine who will discover a truth that will define him as a hero. These five men and women hold not only the keys to their own survival, but the survival of their entire civilization. With the clock ticking, the race to uncover the truth begins. As they try to fend off this cruel and merciless alien foe, this handful of soldiers must discover what secrets this crystal could hold that would be worth the destruction of all life in the galaxy. But the question is . . . . . Can they do it in time This item ships...
