StoryJitsu. Paperback. Condition: New. 114 pages. Dimensions: 8.0in. x 5.2in. x 0.3in. Book III in the The Tales of Dreamside Series: This is the story of Keaghan and his adventures in Dreamside. Dreamside is a strange world of twisting hallways, a labyrinth just beyond the walls (and through and between also) of your own home. In the world of Dreamside, Keaghan met the Knitters (or the Aos Si as they like to be called) who knitted the holes in reality. You haven't seen any holes in reality. Then your home must have really good Knitters! Keaghan now discovers that there is a world beyond Dreamside, full of vicious creatures called Toms which collect the teeth of children. Keaghan must travel to their world and convince them to leave his Dreamside alone. But to do so, he'll first have to cross the Sea of Teeth.
