St. Judas of the Domination of Oddfellows is a specialist, beacon flagship free school academy, part of the Bright Spark Academic Foundation Trust - a not-for-personal-gain market-led body dedicated to educational excellence for the fee-paying. The school's ethos, imbued into its students from Day One, is a combination of the traditional values of integrity and trust coupled with the more contemporary concept of not just aiming high but aiming higher. Achieving their potential is simply not enough for a St. Judas disciple - instead they have to sweat passion, bleed enthusiasm and ooze breathless compliance. A genteeling of the times means that those who can now boast that St. Judas is their alma mater are three Secretaries of State, a dozen Permanent Secretaries, six generals, an admiral, two National Health Service Chief Executives, nineteen university deans, thirty cardinals, twenty-two Public Relations directors and forty-eight Chairs of assorted regulatory bodies including the Quality Care Board,...
