Createspace Independent Publishing Platform, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.The dream was garbled and full of snarling dogs. Hazlyn found herself running down a dark, wooded hill. She could hear them talking to each other; their howls and barks forming an eloquent language of dread. The half-moon gave her just enough light to miss the larger trees. The invisible underbrush tore at her skirt, tangling her feet. She found herself sliding down the hill on her backside more than on her feet. Finally, she burst out into the clearing at the bottom of the hill. Stumbling on the slick, wet grass and falling forward onto her knees. The large, black beast slunk into the clearing behind her, his lips pulled back into a smile as he snarled in triumph. Thirteen year old Hazlyn Moon was frightened and alone. She was certain of only a few things: something was terribly wrong, she had no idea where she was, she was far from home, she had no idea how to get home, she was still alive, and she had no idea how much longer that would continue. Join Hazlyn as she maneuvers through a foreign time and place leaning on the assistance of some dream-traveling, mythical creatures and her own wit in an attempt to somehow get back to her own world.
