

## On the Teaching of Literature: From Charismatic Secrecy to Joyful Revelation (Paperback)

By Flemming Olsen

Sussex Academic Press, United Kingdom, 2016. Paperback. Condition: New. Language: English . Brand New Book. Drawing on the authors teaching practice and experience, this book is based on the premise that reading and analysing literary texts are rewarding pursuits. The target group is grammar school pupils and students at colleges of education and universities. Pedagogic theories are dealt with only in so far as they are applicable to the teaching situation. After establishing the distinction between fiction, which demands a willing suspension of disbelief, and non-fiction, which is set in the universe of the pupils experience, succeeding chapters set out the benefits for the teaching of literature -- namely, how it encompasses psychology, history, and aesthetics. It fulfils the Horatian demand profit and delight. After addressing the pedagogic assets and liabilities of various theories of the concept of text, what lies at the heart of the book is how teachers tackle their role in guiding and inspiring without pontificating. The invitation to the student is to co-operate constructively, but not uncritically. Issues of interpretation and the passing on of interpretative paradigms are alerted to, which leads naturally on to the pedagogic challenge of explaining the potentialities of different genres, and...
