MANAGING THE GLOBAL SUPPLY CHAIN (HARDBACK)

Copenhagen Business School Press, Denmark, 2015. Hardback. Condition: New. Language: English . Brand New Book. As globalisation and internationalisation efforts intensify, companies are faced with even greater challenges to manage the supply chain of their products and services, including political, environmental, economic, social, and technological uncertainties. Having knowledge and understanding of Supply Chain Management (SCM) can aid companies to increase competitiveness within their global supply chain network. This book offers a wide range of theories and constructs that are at...

Reviews

Completely among the finest ebook I actually have possibly go through. It is really basic but excitement from the 50 percent in the book. I am quickly could possibly get a pleasure of looking at a published ebook.

-- **Javon Okuneva I**

Very useful to any or all type of people. This is certainly for those who statte there was not a worth reading through. You can expect to like how the writer write this pdf.
