# ETHICS AND THE METAPHYSICS OF MEDICINE: REFLECTIONS ON HEALTH AND BENEFICENCE (HARDBACK)

MIT Press Ltd, United States, 2004. Hardback. Condition: New. Language: English . Brand New Book. Explores the philosophical and practical ethical implications of a definition of health as a state that allows us to reach our goals. Definitions of health and disease are of more than theoretical interest. Understanding what it means to be healthy has implications for choices in medical treatment, for ethically sound informed consent, and for accurate assessment of policies or programs. This deeper understanding can help us...

*This publication can be well worth a study, and far better than other. Better then never, though i am quite late in start reading this one. Its been printed in an exceedingly simple way and it is only soon after i finished reading through this book in which really transformed me, alter the way in my opinion.*
