

## The CEOs Boss Tough Love in the Boardroom Columbia Business School Publishing

By William M. Klepper

Columbia University Press. Hardcover. Condition: New. 192 pages. Dimensions: 9.1in. x 6.1in. x 0.8in. In order to avoid another Enron, WorldCom, or Tyco, company directors have assumed a bold and independent role in the boardroom, monitoring the actions and day-to-day operations of the CEO. This dramatic shift has created a new dynamic, one that requires careful negotiation from both parties to get the job done. Giving directors, executives, investors, and stakeholders the tools to make this relationship work, William M. Klepper describes the best techniques for building a productive partnership and establishing a plan of action for a variety of businesses and settings. Klepper, an executive educator, has worked with AT and T, Bausch and Lomb, Johnson and Johnson, Sony, Sun Microsystems, and a host of other corporations. He knows what makes a healthy partnership between a board and its CEO and the consequences of a bad fit. In this book, he details the eight practices of successful executives, such as facilitating innovation, motivating change, and developing leadership skills, and he explains what directors need to evaluate, such as working style, social behavior, and the handling of stress, before they commit to hiring a CEO. The most critical element is the...
