William Morrow Company, 2017. Hardback. Condition: New. Language: English . Brand New Book. While Law goes sacred cows, from clutch performers to RBIs to the infamous save rule, he also demystifies sabermetrics, explaining what these new numbers really are and why they re vital. He also considers the game s future, examining how teams are using Data--from PhDs to sophisticated statistical databases--to build future rosters; changes that will transform baseball and all of...
