*****. Riding in a Magic Bubble allows children to explore the world - geographically, culturally, and emotionally - inspiring children to see life through loving eyes, with more compassion, caring, and tolerance. The adventures with Bubble are exciting, yet on a soul level, thought-provoking. The stories capture the imagination of all children, because Bubble is their own imagination. When imagination is stimulated, children are naturally more creative, will believe in their dreams, and create their own realities. Bubble is the children's imagination personified. She is the nurturing, loving side within all of us. She is magic, and sees the wonder in all things. Bubble inspires children to dream of the impossible, change their perceptions, and bring their imaginations to life. Bubble opens the doors to a more compassionate and loving world.
