Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.This book chronicles the journey of a black gay dreamer. It is a tale of the experiences of being awake in the modern millennial world. Asking for the reader to consider the beauty of poetry and its ability to break us free from this moment, and its power to help us remember how to feel. How it connects us to the part of us that is begging to see clearly and to hear more than the constant white noise of our modern world. To remind you to reflect the last time the written word caused you to weep -- the last time that words reminded you to dream the last time it connected with you and made you feel.
