Reviews

It is straightforward in go through easier to recognize. I actually have study and that i am sure that i will going to study yet again again down the road. Once you begin to read the book, it is extremely difficult to leave it before concluding.

Full Court Press. Paperback. Condition: New. 144 pages. Dimensions: 8.4in. x 5.5in. x 0.6in. The great strength of Chris Rainey's poetry rests on its lucid directness. The surprising range of subjects it engages, the various ways it exposes them, offer blissfully little ambiguity—though he leaves the world more richly mysterious for us than he finds it. The book is dedicated to the man who left a parcel of land, on the Palisades near the Hudson river in new Jersey, to be used as a public park. That resource has served the poet well; his work is one with it.
