### Reviews

*This pdf might be well worth a study, and a lot better than other. It really is simplistic but excitement inside the fifty percent in the book. Its been printed in an exceedingly straightforward way which is just after i finished reading this ebook through which really modified me, modify the way i believe.*

Createspace Independent Publishing Platform, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.The true story of Adam Blain, a 44-year-old London lawyer and family man who one day, ends up in AE after a series of headaches and consistent nausea. Expecting to be sent home with a packet of Paracetamol, he's shocked when harassed doctors are suddenly offering to buy him gourmet coffee. Worse still, the diagnosis of a late-stage brain tumour is made by his oncologist wife. So far, so not funny. Adam, however, is determined not to slide into defeatist misery, and approaches the saga of surgery and chemotherapy with a chirpy, irreverent black humour. What else can he do when every outing risks bits of his brain dripping out of his nose without warning? Wondering constantly what the pear-shaped part of his brain that's been removed is thinking, and whether it's having a better time than he is, Adam takes us through the myriad but necessary indignities inflicted on the brain cancer sufferer. A test, for example, on whether he can determine whether pictures of faces are smiling? Something his wife is more than happy to help him revise for. The revision involves me sitting in a pub or restaurant with Lu who makes a variety of different facial expressions at me covering the full range of human emotions. It is just like being back at kindergarten. Lu hides behind the menu whilst deciding upon and practising the next expression. She then sticks her head over the top of the menu and I give it my best shot. It would be more dignified for me if she didn't shout Peekaboo! each time. Or regular appointments with a psychiatrist to determine whether he's a...
