THE ADVENTURES OF WONDERBABY FROM A TO Z

DOWNLOAD

Immedium. Hardcover. Condition: New. Joe Chiodo (illustrator). 32 pages. Dimensions: 6.9in. x 6.8in. x 0.7in. The book is beautifully illustrated. The colors are bright and vivid, and the pictures are simple and straightforward. Each illustration has a small ladybug somewhere, which will keep searching toddlers entertained. I think this book succeeds on many levels. While teaching the alphabet, each letter can teach a new animal, as well as a new verb. And most importantly the text and illustrations are interesting enough that you won't go out of your mind the 8th time you read the book in a 30-minute span! So if you're looking for a great A-B-C book be sure to check out Adventures of WonderBaby. - SuperCoolBaby! It's a really cute concept, a baby teaching the alphabet with some superhero elements thrown in. - ComicCons The PULSE Faster than a speeding bulldog, more powerful than a loco mole and able to leap tall building blocks in a single bound. . . comes WonderBaby! Like attention-getting infants everywhere, this tyke displays a growing collection of abilities. But what makes WonderBaby unique is that he embodies all the powers of the wild kingdom. For every letter of the alphabet, WonderBaby transforms into a different animal with a special super power! Illustrating scenes from A to Z, WonderBaby changes into a zoo-ful of animals, from insects to mammals. Crawling and flying, swimming and smiling, WonderBaby demonstrates the sensational experiences that all babies share. This alphabet board book delights toddlers and their parents, who instantly recognize WonderBaby's endearing qualities in their own children. The illustrator Joe Chiodo has been called a legendary talent. . . recognized for his stunning painting achievements for DC Comics, Marvel Comics and Wildstorm. Learning your ABCs has never been so much fun! the alphabet section is one of the best I have ever...
