Flame Tree Publishing, United Kingdom, 2016. Paperback. Condition: New. New edition. Language: English . Brand New Book. Dreaming and relaxing, with cats, foxes, owls and many more animals, this beautiful new book will give you many hours of pleasure, and calm. With a range of challenging and more restful designs Cute Animals takes you on an enjoyable journey where the satisfaction of creating stunning artworks is mixed with rediscovering the joy of coloring by numbers. You can use a wide variety of pens: from gel and pencil, to pigment and crayons, from ballpoint and rollerball to highlighters, although it s best to avoid the heavy felt pens. Each page has a color chart to follow and is perforated near the spine of the book, so you can tear out and frame, or simply place your wonderful creation on the walls of your home, perhaps even send them as a gift to your loved ones. You ll have to make a choice about which design to make, if you want to tear it out, but with nearly 120 to choose from there s more than enough to help you make your decision. Each page is perforated, and ready for you to frame. Bring the Ink to life!.
