Just Breathe

By Susan Wiggs

BRILLIANCE AUDIO, United States, 2013. CD-Audio. Condition: New. Unabridged. Language: English . Brand New. Unexpected change can be like a breath of fresh air--a little brisk at first, but magic for the body and soul. Sarah Moon tackles life's issues with a sharp wit in her syndicated comic strip Just Breathe. With both Sarah and her cartoon heroine undergoing fertility treatments, her fiction often reflects her reality. However, she hadn't scripted her husband's infidelity. In the wake of her shattered marriage, Sarah flees to the coastal town in Northern California where she grew up. There, she revisits her troubling past: an emotionally distant father, the loss of her mother and an unexpected connection with Will Bonner, the high school heartthrob skewered mercilessly in her comics. But he's been through some changes himself. And just as her heart is about to reawaken, Sarah makes a most startling discovery. She's pregnant. The winds of change have led Sarah to this surprising new beginning. All she can do is just close her eyes and breathe.

Reviews

This book may be really worth a read through, and a lot better than other. It is really basic but excitement inside the 50 % in the pdf. I realized this pdf from my dad and i encouraged this publication to learn.

-- Curtis Bartell

The book is straightforward in study better to comprehend. It is really simplistic but unexpected situations in the fifty percent of the ebook. Its been written in an exceptionally simple way which is simply after i finished reading through this ebook in which basically altered me, affect the way i really believe.
