BRILLIANCE AUDIO, 2016. CD-Audio. Condition: New. Unabridged. Language: English . Brand New. The circumstances of Molly Marx's death may be suspicious, but she hasn't lost her joie de vivre. Newly arrived in the hereafter, aka the Duration, Molly, thirty-five years old, is delighted to discover that she can still keep tabs on those she left behind: Annabel, her beloved four-year-old daughter; Lucy, her combustible twin sister; Kitty, her piece-of-work mother-in-law; Brie, her beautiful and steadfast best friend; and, of course, her husband, Barry, a plastic surgeon with more than a professional interest in many of his female patients. As the police question her circle of intimates, Molly relives the years and days that led up to her sudden end: her marriage, troubled yet tender; her charmed work life as a magazine decorating editor; and the irresistible colleague to whom she was drawn. More than anything, Molly finds herself watching over Annabel - and realizing how motherhood helped to bring out her very best self. As the investigation into her death proceeds, Molly will relive her most precious moments - and take responsibility for the choices in her life. Exploring the bonds of fidelity, family, and friendship, and...
