# CARDIOVASCULAR DISEASE IN THE ELDERLY (PAPERBACK)

Oxford University Press, United Kingdom, 2011. Paperback. Condition: New. Language: English . Brand New Book. The population is ageing, and most cardiovascular diseases are more common in older people. Older people often present atypically, have multiple co-morbidities, and are vulnerable to therapeutic delays or errors. The healthcare needs of the elderly differ from those of younger patients and are more complex, related to the physical and psychological changes associated with ageing and other disease processes in the elderly population. In...
