# COMMUNICATION POWER

Oxford University Press Aug 2013, 2013. Taschenbuch. Condition: Neu. Neuware - We live in the midst of a revolution in communication technologies that affects the way in which people feel, think, and behave. The media have become the space where power strategies are played out. In the current technological context mass communication goes beyond traditional media and includes the Internet and mobile communication. In this wide-ranging and powerful book, Manuel Castells analyses the transformation of the global media industry by...
