Skyhorse Publishing, United States, 2010. Hardback. Condition: New. Language: English . Brand New Book. Gary Player is one of golf s greatest champions. As one of the Big Three of golf s golden era (with Jack Nicklaus and Arnold Palmer), he helped launch golf as a major international sport. He sits fourth on the list of most major victories on the PGA Tour and built a reputation of being fearless on the course and steely on the greens. Don t Choke is his look at what it takes to achieve success when the pressure is on. Player explains how and why he became a champion and what it takes to win in big-time golf, but he also explains how learning to cope in pressure situations can help anyone. He will review the most pressure-packed situations in his eighteen major victories and how he managed to succeed when things were most tense. But this book is not all about golf. Player has had a long successful career in business since his playing days-designing golf courses, marketing golf equipment and sportswear, and more. If you want to do better in a boardroom or in your next job interview, Player s advice will help. This personal glimpse into the mind of a champion offers lessons to everyone who has to face pressure-and today that is all of us. Gary is one the greatest competitors who ever played the game. -Arnold Palmer.
