Robin used to be the dependable friend and good girl, until Jason and his friends abused her trust. Now the once shy girl lives on the opposite end of the spectrum. Sordid nights filled with drug use and alcohol finds Robin now spiraling out of control. And Jason will stop at nothing to gain her trust and love, and hopefully to save her from herself. In book 3 of this award nominated story, the tale of the Wheels of Steel gang continues with a new epilogue and ending never before seen in print. This interracial love series explores the spirit of love and acceptance between a person with an obvious disability-and someone whose disabilities are not always quite so obvious. This story contains graphic sex, language and drug use and is intended for mature readers only.
