Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.I would like to write very easy but practical game programming contents in this book. It is my intention to invite real beginner to start game programming. JavaScript is one of the popular programming languages which can be used from mobile to server. That is why I selected Cocos2d-Js for game programming. I believe and hope all reader will get self confidence of programming after following my book step by step. Cocos2d-JS is excellent game framework because it support Cross-platform development. It means you can code one time but you can deploy it to many platform like various web browsers, android, iOS and window mobiles and so on. I don t want to limit readers to only children, enjoy games. It is my real happy that as many people nurture their own hopes and dreams when they read my book. Children, student, youth even adult, someone couldn t find their own dreams or didn t get a opportunity to find a dream. I hope this book can serve as a momentum to pull out their hidden dreams. * Table of Contents A)The Ten Commandments of JavaScript 1. Antilogarithm 2. Variables 3. Data Types 4. Data Sets 5.
