By David Morales

Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. \*\*Discover Secrets of Writing a Successful Business Plan! \*\* You would probably be thinking that the only thing that's standing between an entrepreneur and success are certain colored charts, multiple spreadsheets and financial projections for months together. Yet, this couldn't be any further away from truth. In fact, even with the most elaborately crafted business plans, the venture might just fail. Why does this happen? Most of the plans that waste a lot of ink and paper tend to provide too little information that really matters. What does this lead to? This might make the investors discount your proposal. In this book, you will learn about the basic information that you will require for developing a good business plan. A business plan is meant to provide information about the venture to those launching it, parties providing key services and other important resources. More precisely, this book will teach you the following: Basics about a Business Plan Making Use of Business Plan Various Business Plan Initial Assessment What To Include in a Business Plan Business Plan Template And Much More The available opportunities, growth rate, and the...
