Everyman, United Kingdom, 2008. Hardback. Condition: New. Language: English . Brand New Book. Included are seminal stories like To Room Nineteen ; in which a woman reacts against the oppression of her banal marriage with dreadful results; One off the Short List , which traces the surprising conclusion to a seduction gone awry, and The Habit of Loving in which a lonely older man who takes a vivacious young wife witnesses an unexpected reversal of intimacy. Here also are two classic novellas, The Temptation of Jack Orkney and The Other Woman, exemplifying Lessing s impressive understanding of human psychology. Rich and various in mood and background - the settings range across England and France - these stories powerfully convey the uncompromising insight, intelligence and vision of one of the most ardently admired writers of our time.
