Oxford University Press, United Kingdom, 2014. Sheet music. Condition: New. Language: N/A. Brand New Book. for SA and piano or orchestra This charming piece brings to life a magical world that exists in everyone's mind - a land of make-believe, where there are dragons, giants, and castles in the air. The composer's wonderfully imaginative words will appeal to all young and young-at-heart singers, and the approachable melody and limited divisi make the work ideal for performance by children's choir.
