ALLISON BUSBY, United Kingdom, 2014. Paperback. Condition: New. UK ed.. Language: English . Brand New Book. Born in Paris in 1893, the wandering life of Freya Stark's childhood left her precocious and pretty tough . Self-disciplined, courageous yet flamboyant and unorthodox, she became a great explorer, a travel writer, geographer, historian and archaeologist. Freya Stark remained fearlessly independent throughout her life. Despite her high regard for tradition and Empire, as an explorer, she was unconventional- always travelling alone, without money or support. Travel remained her greatest love and her solace throughout constant struggles with ill health, failed marriage and loneliness.
