Createspace, United States, 2012. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Yes, you can beat the market - by a wide margin. The proof is in these five investing strategies that have already produced multi-million fortunes for real life investors who have used them. You won't hear about these strategies from Wall Street because these methods put money in your pocket, not theirs. As the old saying goes, Wall Street needs dummies so it can make monies. Simply knowing these strategies elevates you out of the unsuspecting crowd that Wall Street feeds on. If you're an active thinking investor - the kind who prefers real-world truths over too good to be true financial fantasies, then this book is for you because it's the first to compile these five proven super investing strategies in one place. Super investing strategies like Benjamin Graham's little-known OTHER investing method. You won't find this in his classic works Security Analysis or The Intelligent Investor because he discovered it AFTER writing those books. Graham concluded that the method shared in this book BEAT everything he did before. PLUS, he said individual investors don't need Wall Street to implement it and get rich. The Interest Rate Market Climate Model that continually beats the market all the way BACK TO 1929! No simple timing model works longer, and you can easily duplicate it using FREE information on the internet. The Ultimate Momentum Method returning 20 per year that gets you into -- and keeps you in -- the SAFEST assets MOVING THE MOST right now. Hand your money over to one of the investment managers using this relative strength investing technique to buy and sell WORLDWIDE asset opportunities, and then forget about it. The Monthly Income...
