QUERY ANSWER AUTHENTICATION (PAPERBACK)

Morgan Claypool Publishers, United States, 2012. Paperback. Condition: New. Language: English . Brand New Book. In data publishing, the owner delegates the role of satisfying user queries to a third-party publisher. As the servers of the publisher may be untrusted or susceptible to attacks, we cannot assume that they would always process queries correctly, hence there is a need for users to authenticate their query answers. This book introduces various notions that the research community has studied for defining the correctness...
