Amazon Publishing, United States, 2012. Paperback. Condition: New. Language: English . Brand New Book. How does a headstrong girl like me learn to survive in a man's construction racket? By taking your old man's advice, even if it comes from six feet under. Thirty-eight-year-old Ava Spike Harrison can hold her own in the boys club that is the construction business. Her late father saw to it that she was as comfortable on a job site as she was behind a textbook. But the past few years have had her over a barrel--job site injuries and a string of bad luck, including the death of her husband, have hampered the venerable Harrison Construction Company. Taking a cheap job here and there has been her only option. Grasping at straws, though, comes at a price: an asbestos removal contractor she's hired, Jimmy Farrell--a lifelong acquaintance who gladly accepted \$10,000 from Spike as a good faith incentive--has gone AWOL. The three hundred students at Albany's PS 20, the job site, are about to be exposed to deadly asbestos fibers. What starts out as a goose chase--from a cleared-out office to Jimmy's impounded car--turns into an all-out search for the real story behind the man's sudden disappearance. Trading in her work boots for gumshoes, Spike must tread a path paved with deception, greed, and even murder if she's going to nail down the truth. Vincent Zandri, author of the popular Moonlight saga, spins intrigue and danger with a thrilling new series and a sharp, feisty heroine who has little left to lose.
