Motor Racing Publications Ltd, United Kingdom, 2004. Hardback. Condition: New. Language: N/A. Brand New Book. Out In Front was a trading slogan of Leslie Ballamy's LMB companies, whose suspension, engine and transmission conversions became a passport to success not only on race tracks, hill-climbs and trials venues, but also on the road, where customers for his go-faster conversions included some of the country's top sportsmen and even members of the aristocracy. This is a story of a forthright character who was a great patriot, an inspiration to many, and a tireless and ingenious ideas man, who never stopped designing until the day he dropped dead at his drawing board at the ripe old age of 87.
