Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.In the middle of the cupboard door was the carved figure of a man. He had goat s legs, little horns on his head, and a long beard; the children in the room called him, Major-General-field-sergeant -commander-Billy-goat s-legs . He was always looking at the table under the looking-glass where stood a very pretty little shepherdess made of china. Close by her side stood a little chimney-sweep, as black as coal and also made of china. Near to them stood another figure. He was an old Chinaman who could nod his head, and used to pretend he was the grandfather of the shepherdess, although he could not prove it. He, however, assumed authority over her, and therefore when Major-general-field-sergeant-commander-Billy-goat s -legs asked for the little shepherdess to be his wife, he nodded his head to show that he consented. Then the little shepherdess cried, and looked at her sweetheart, the chimney-sweep. I must entreat you, said she, to go out with me into the wide world, for we cannot stay here. . When the chimney-sweep saw that she was quite firm, he said, My way is through the stove up the chimney. . So at last they reached the top of the chimney. The sky with all its stars was over their heads.
